Hello Mike,

I've reviewed the last list of CAG members (and email addresses) that Denver provided before the community took over leadership of the group in July. The Cole Neighborhood Association email was not on that list. In fact, I don't recall it being on the list for some time. Rather your personal email was on the list.

That said, per the Membership section (page 3) of the CAG bylaws (of which I recall your presence when we reviewed and voted upon them), attached for your reference, members who miss more than 3 consecutive meetings and do not send an alternate are presumed to have resigned. According to our records, you've missed at least 6 meetings in 2018. No alternate was sent from Cole. Additionally you haven't engaged with the group via emails that were sent with a request for a response. Therefore, it was presumed that you had resigned your post.

Per the bylaws you are welcome to petition your reinstatement to the group.

Regards,

Kim Morse

Hello Kim Morse,

I found out yesterday that the Cole Neighborhood Association email was removed from the CAG email list. We did not receive the invite or info for the December meeting next week. I had to ask Janet Feder to forward it to me.

I also never received a reply to the message I am forwarding below asking for the CAG date in November. I'm not sure if you missed this, but it was a reply to a thread asking about setting a date.

After not receiving any communication from you or the CAG I must ask: is the Cole Neighborhood Association being excluded from CAG communications for a reason? And if so who made this decision?

I ask for now you please re-add [cna.denver@gmail.com](mailto:cna.denver@gmail.com) to all CAG communication emails.

I have CC'ed Jesse Aviles and Jennifer Chergo with the EPA to ensure that we are included again as I never heard from you last time.

Thank you, I hope this is simply an error on your part,

- Mike Dugan

Hey Kim,

Has a date been selected for the Nov CAG meeting yet? I'm working on the CNA agenda right now and want to make sure I have the correct date.

Thanks, I'll see you tonight,

- Mike Dugan

Hello All.

Reminder. CAG meetings are typically held the third Tuesday of each month. In November our meeting will coincide with the week of Thanksgiving. Let me know by Tuesday if this still works for you or if you'd prefer to meet one week later on the 27th. I've heard from two members. I'd appreciate a response from the rest of you so that I can plan accordingly. Please respond by Tuesday, October 23rd.

Kim
